

LITTLE MIAMI FARMS

Autumn Catalog

Little Miami Farms specializes in serving small businesses, agritourism farms, schools, garden centers and seasonal festivals. We sell a variety of autumn flowers, pumpkins, gourds, natural fall decor and winter squash either by the piece or in larger quantities; discounted rates are offered for bulk orders. Contact us to discuss pricing/ordering details (see back page) – we are eager to serve you!

Perennial Pollinator Plants

Create and improve the habitat for bees, butterflies and hummingbirds with these perennial pollinator plants ... all grown at Little Miami Farms and ready for your landscape! The warm days and cool nights in our region make for a great time to plant, ensuring spectacular and colorful blooms for years to come.

Magma Heuchera – aka **coral bells**, is a colorful perennial with bright red-pink ruffled foliage. Delicate stems of tiny pinkish-white blooms rise from this brilliant mound. Full sun/part shade; height: 18-24"; width: 24-30"

Echinacea Purpurea –

aka **coneflower**, is an outstanding cut flower and has medicinal uses; also repels deer. Blooms July-September. Height: 18-36"; width: 18-24"

Sombrero Tres Amigos

SunSeekers Apple Green

Rudbeckia Autumn Colors – large blooms with bands of deep red, bronze, orange and yellow and brown centers. Prefers moderately fertile, moist well drained soil; drought tolerant when established. Deadhead to promote new blooms; will self-seed. Deer and rabbit resistant. Height/width: 18-24"

Platinum Blonde

Lavender – classic lavender scent but with a refreshing twist of cream and green variegated leaves. Wonderful in containers or ground. Blooms all summer, attracting butterflies. Full sun; height: 12-24"; width: 18-20"

Monfauk Daisy –

large, showy white flowers with bright yellow centers, blooms from late summer to fall; low maintenance and drought-tolerant once established; deer/rabbit resistant. Height and width: 18-36"

Autumn Mums

Color your fall landscape with a variety of mums from Little Miami Farms! We plant hundreds each June, carefully tending to them all summer long to ensure they will be large and beautiful by early fall.

Since they're locally grown, you can be sure they will tolerate our Ohio weather and are healthy and hardy. We strive to provide you with the best quality mums that will last throughout the autumn season.

We sell out fast so be sure to reserve your favorite colors early!

Mums available in 8.5" and 12" pots — single and fri-color

orange Jacks, Specialty, Mini Pumpkins & Gourds

Little Miami Farms is dedicated to growing only the best pumpkins which you can proudly put on display. We've been growing pumpkins for several years and we understand the importance of having good shape, size, color and a healthy stem. Harvest begins in mid-September and continues through the month of October; availability is subject to the weather and growing conditions.

Available by the piece or by the bin:

orange Jacks

All sizes available – from pie pumpkin to XXL jumbo

Specialty

Multi-color stackers, warty, yellow and white

Minis

Casperita, Orangita, Midnight, Spark, Wee-b-Little and Jill-b-Little

Decorative Gourds

Autumn Wings Mini and Large

We also offer a variety of fall items in addition to pumpkins to complete your autumn display!

ordering Information

For information on how to order – or if you have general questions – please call Krista Arthur at 937-367-1077 or email: krista@littlemiamifarms.com. You can also send us an inquiry via the [Contact Us](#) form on our website.

We offer free delivery for your order if you meet the minimum required amount. Or you can pick up your order at the farm by appointment – your order will be ready upon arrival and we're happy to help you load.

When you order from Little Miami Farms, you can be confident you'll receive the highest-quality, locally grown products. If you are not fully satisfied, please let us know and we will make it right.

We look forward to working with you!
